

# Disha Trivedi

📍 Ahmedabad, Gujarat

🌐 <https://www.dishatrivedi.com/>

As an enthusiastic visual communication student, I'm eager to learn and gain exposure to working in the industry. Passionate about crafting purpose-driven and research-based works, I make an effort to push the limits of visual design while making it useful and relevant to the task at hand. Beyond design, I enjoy singing, playing keyboard, crocheting, and listening to music.

## Education

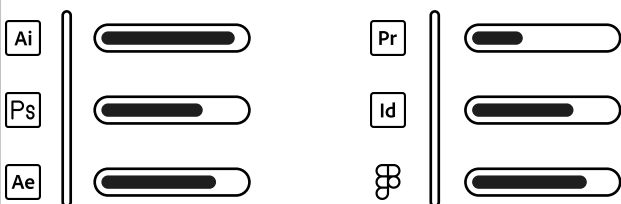

**B.Des Visual Communication** 2021-25
